DOG MAN
Behind the Scenes
Hi, everybody. It's your old pals, George and Harold.
Yo, what up, dogs?
We're in 5th grade now. We're older and wiser...
... and totally mature, I might add.
We even got a new teacher named Ms. Chivess.
She's pretty cool...
... except for one thing. She makes us read classic literature.
Moby-Dick

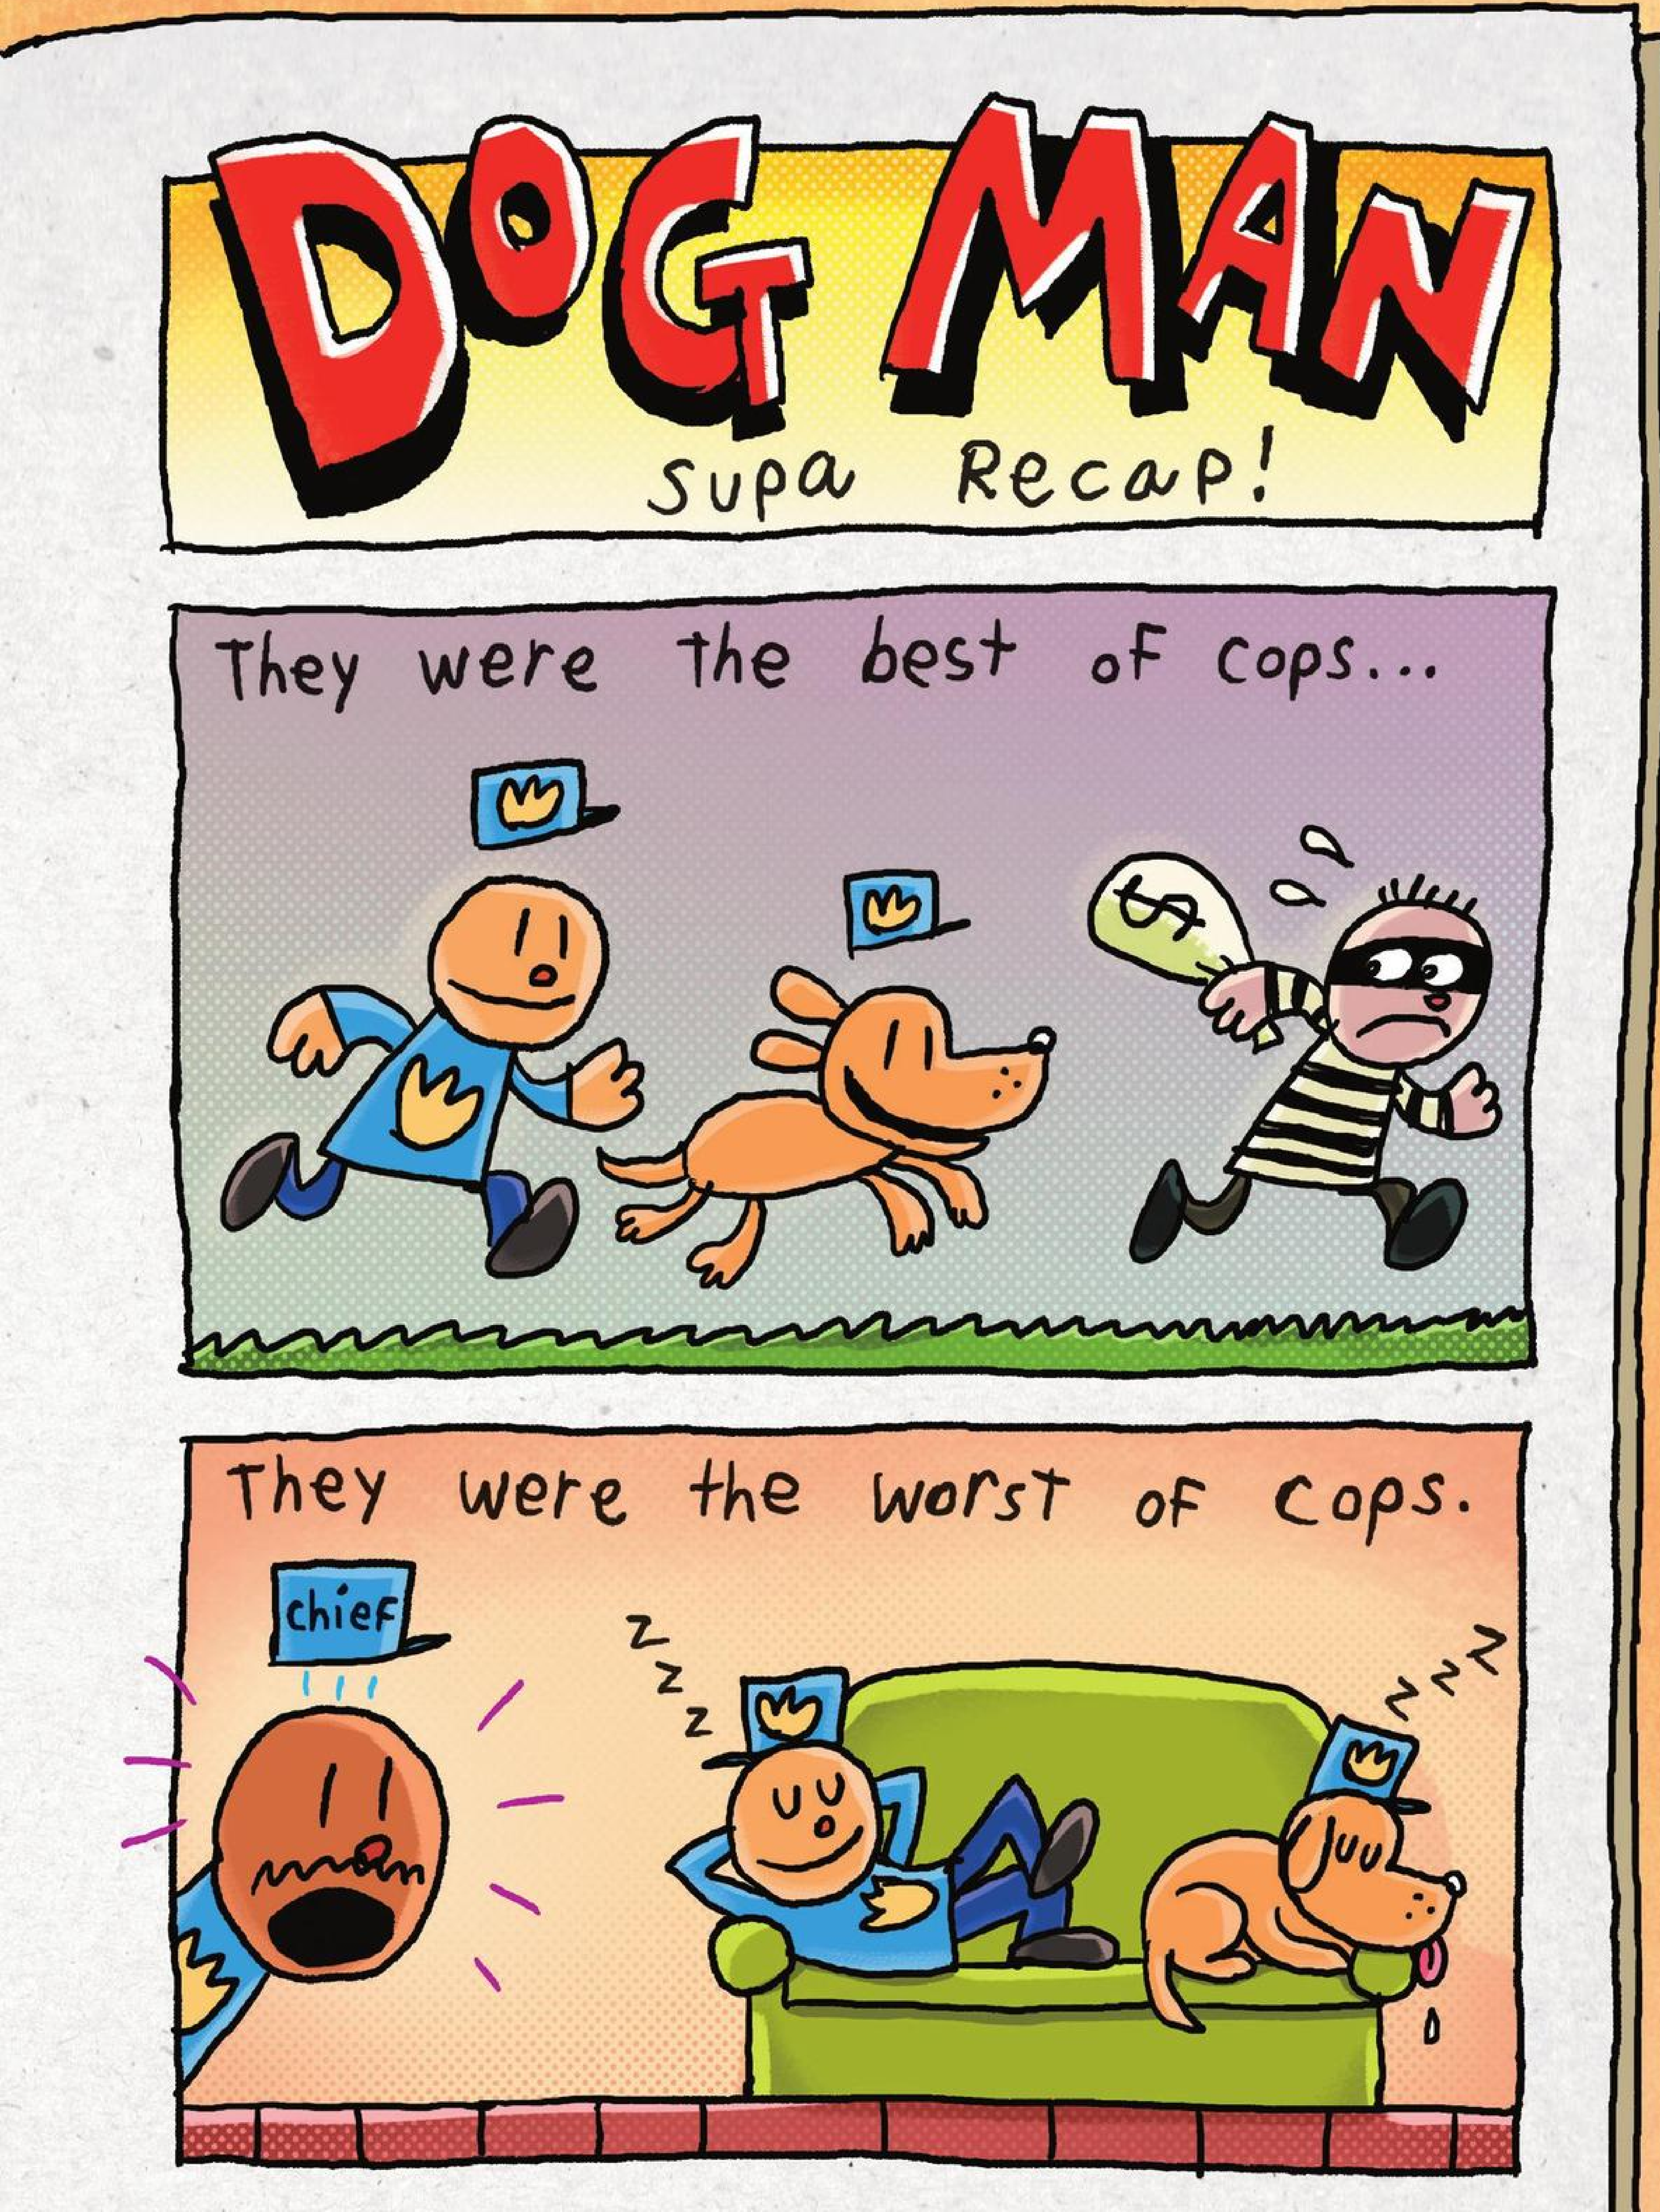

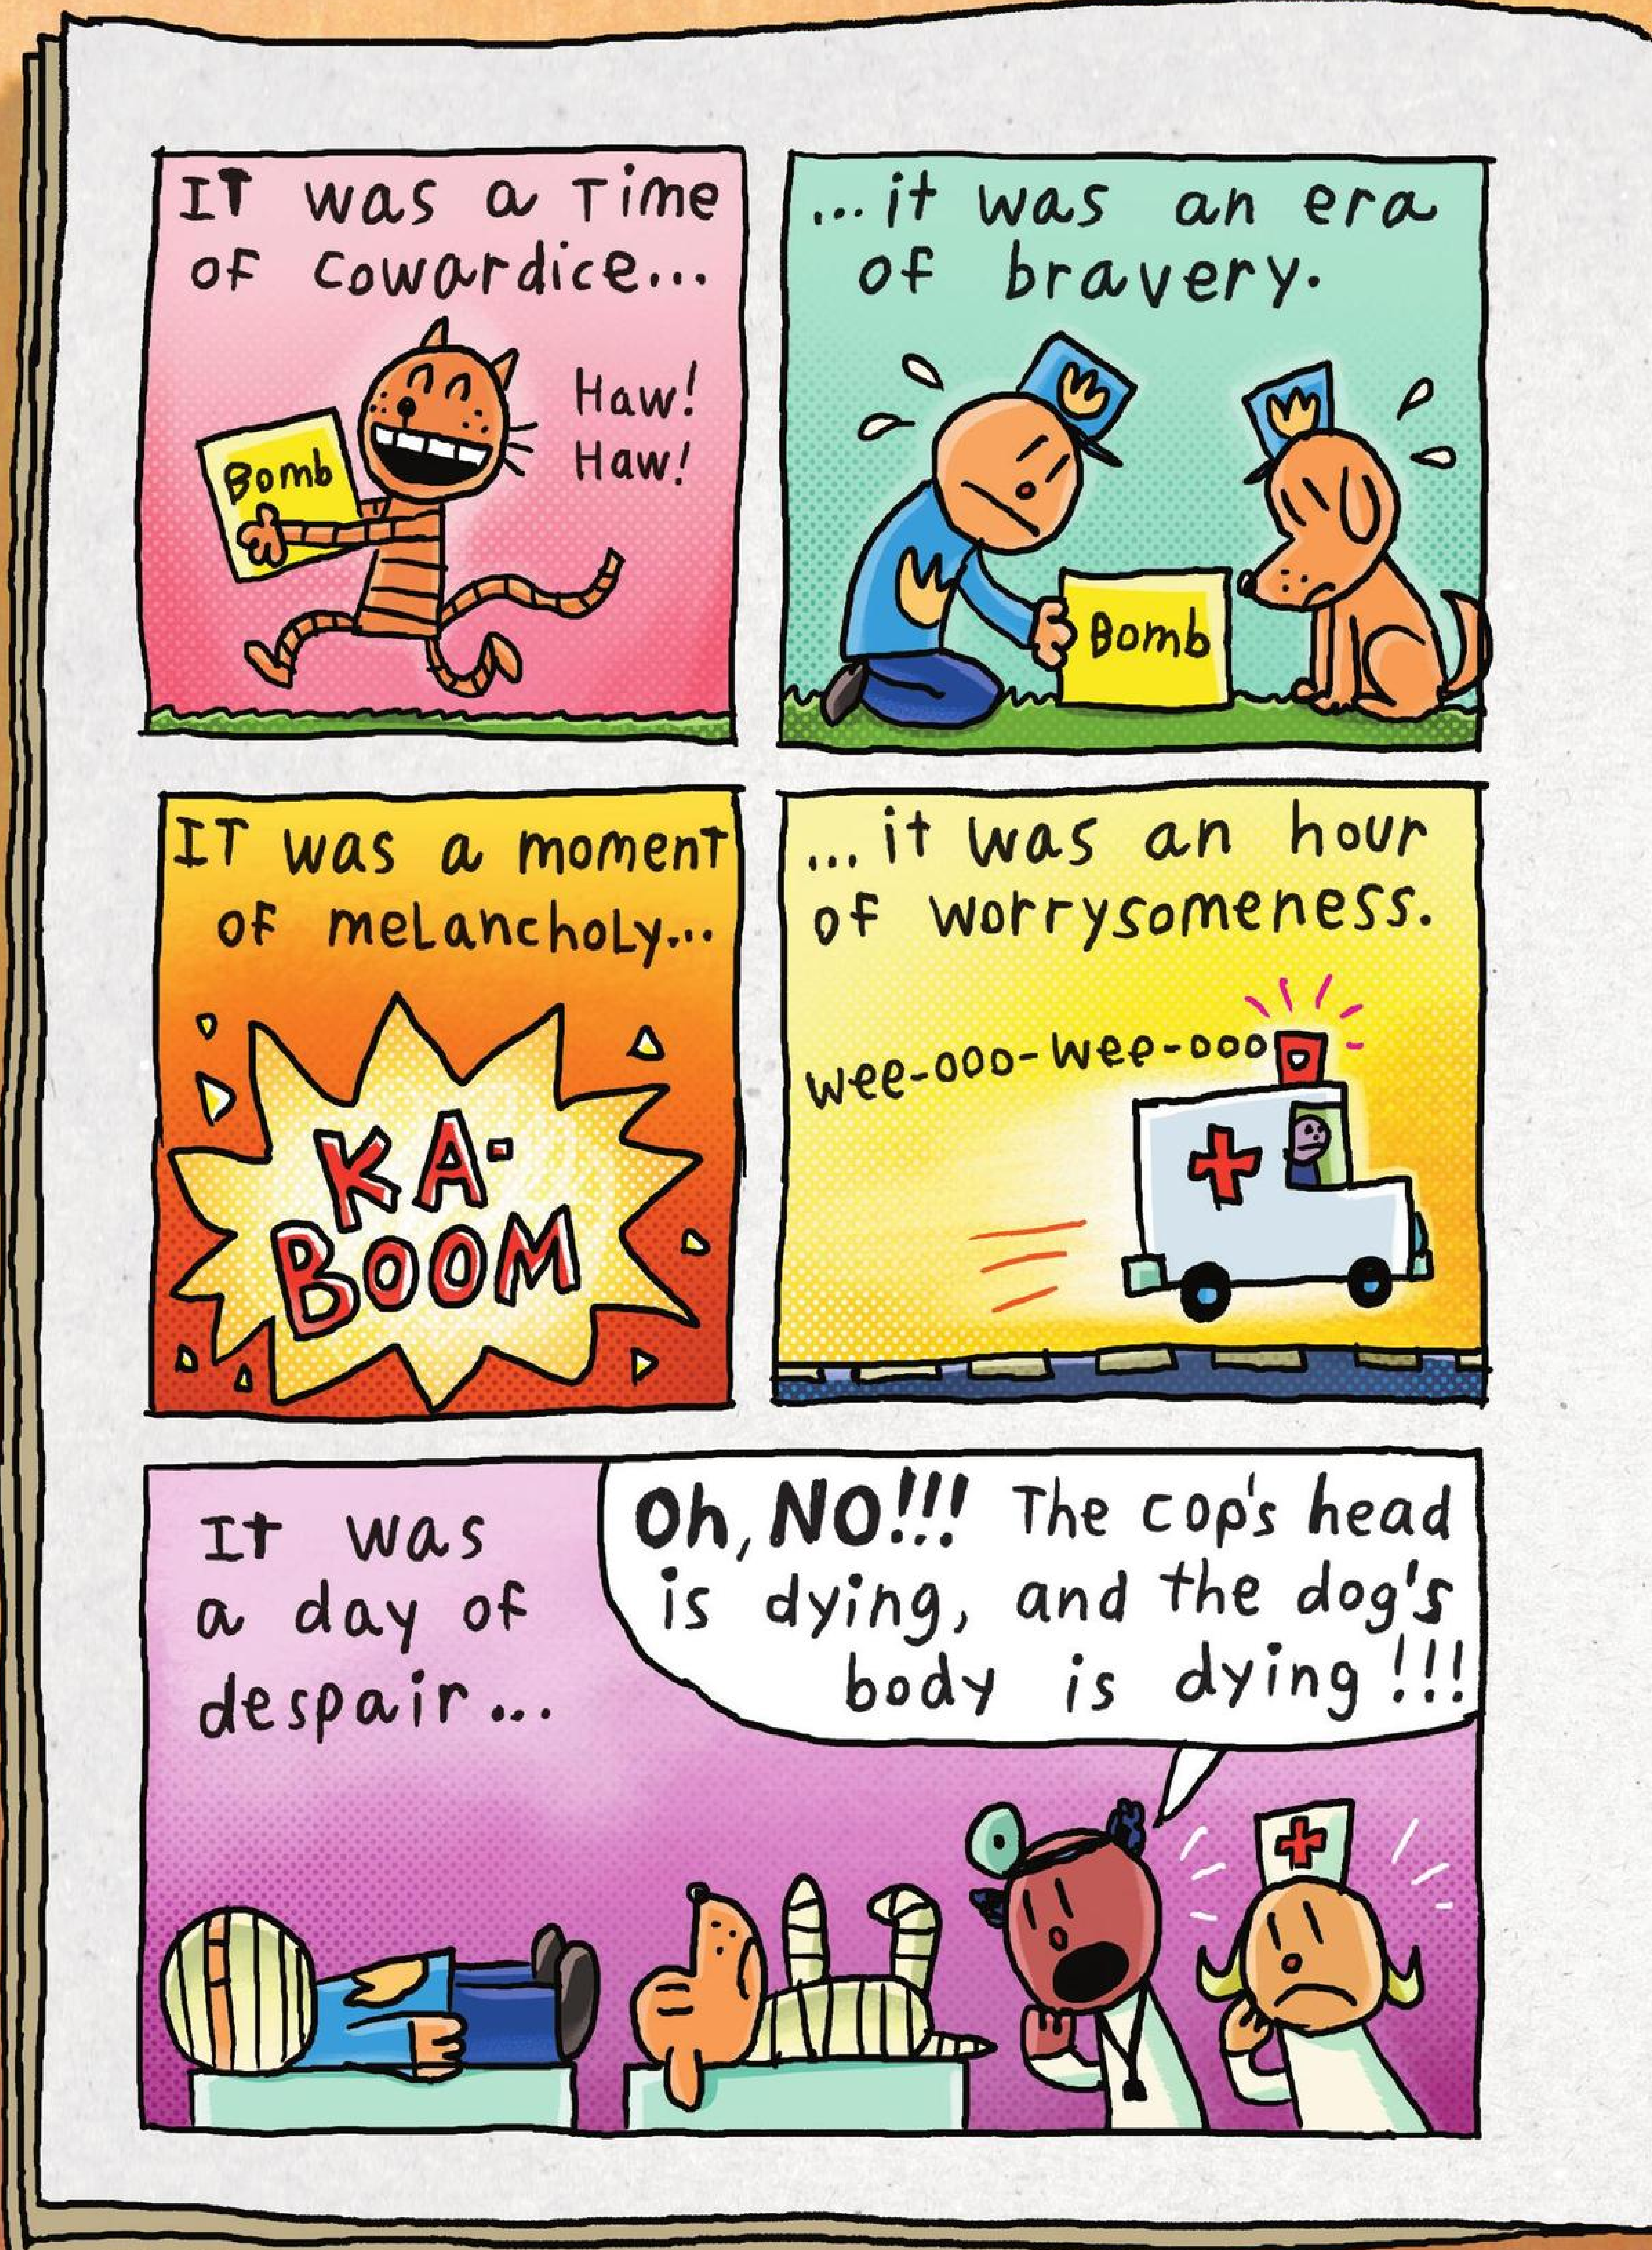

This Month we're reading A Tale of Two Cities.
a Tale of Two Cities
And we're having a dickens of a time!!!
A Tale of Two
HA HA HA HA HA HA HA
HA HA HA HA HA HA
A Tale of Two
a Tale
Like we said, we're Totally mature now.
Anyway, we didn't think we'd Like it, but it's actually pretty good.
A Tale of Two Cities
Charles Dickens
Yeah. It's deep and stuff.
A Tale

It inspired us to make a brand new DOG MAN graphic novel!
Now we're deep, Too!
DOG MAN
a Tale of Two Kitties
And So... Tree House Comix Proudly Presents:
A Tale of oppression...
chief
... a Tale of redemption...

... a Tale of rebirth...
... and a tale of hope.
A TALE of TWO KiTTies
But First...
... a recap of our story thus Far:

DOG MAN
Supa Recap!
They were the best of cops...
They were the worst of cops.
chief
Z Z Z
Z Z Z

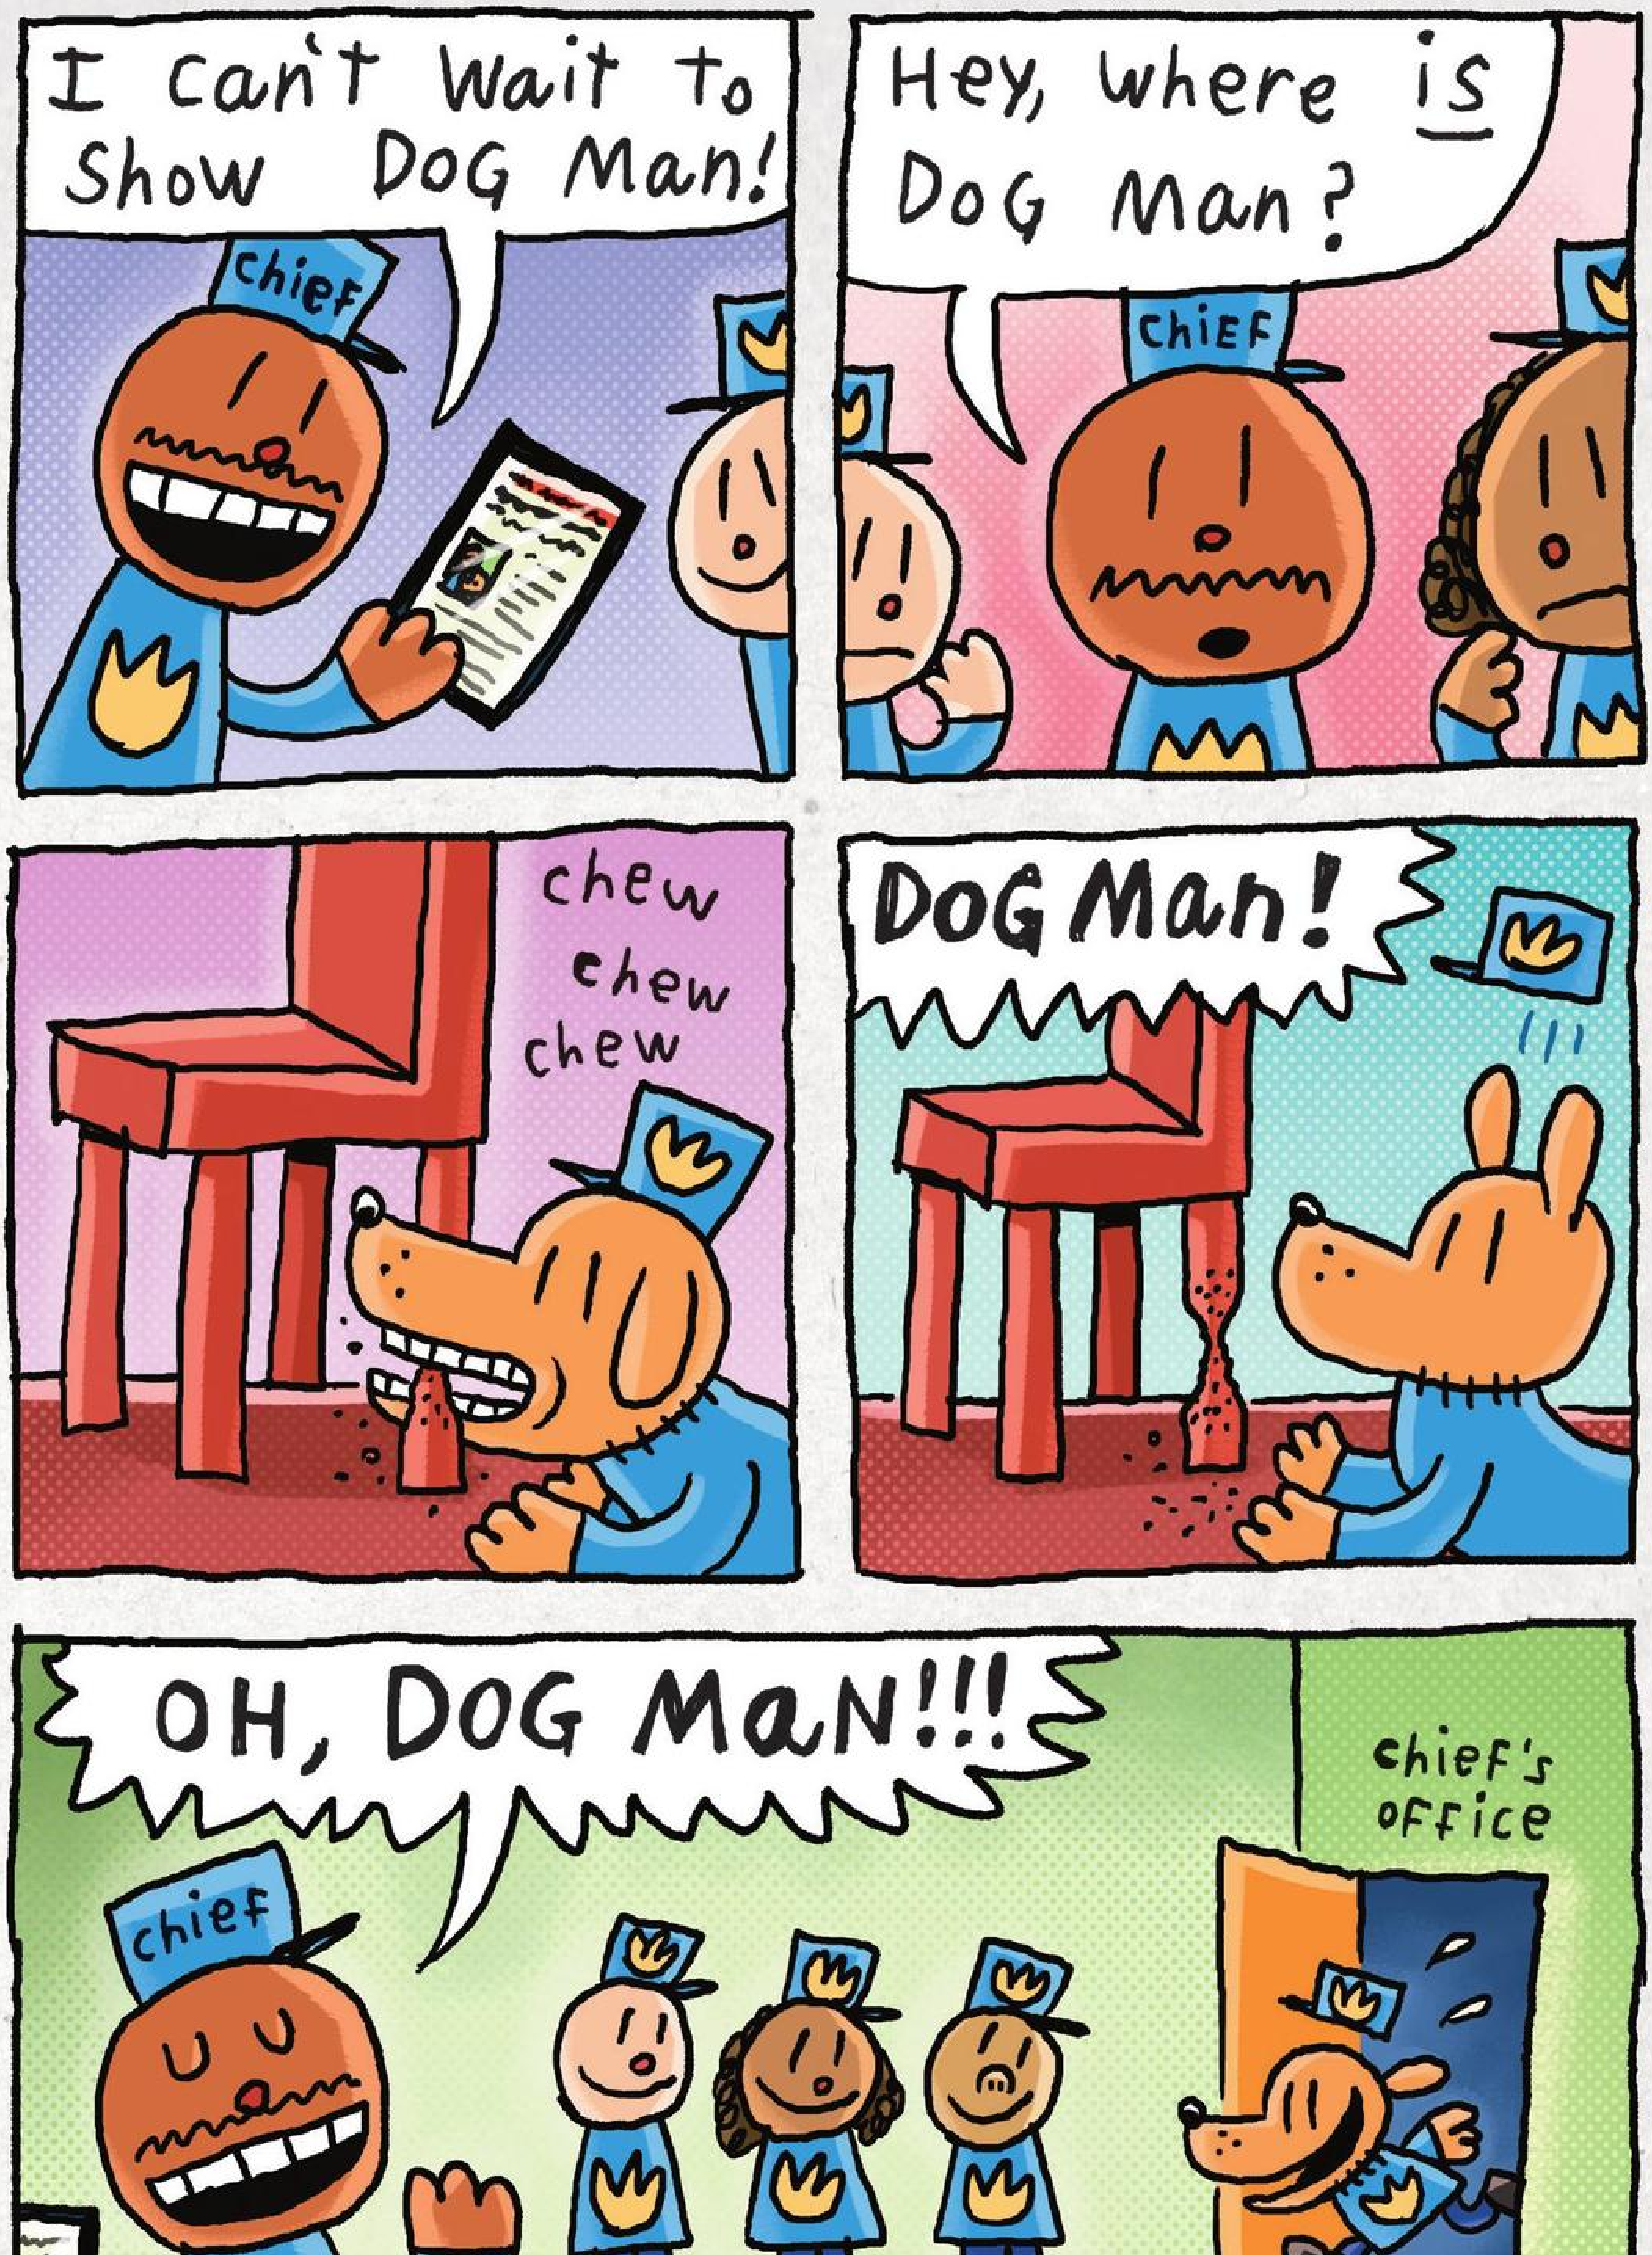

IT was a Time of cowardice...
Bomb
Haw! Haw!
...it was an era of bravery.
Bomb
IT was a moment of melancholy...
KA-BOOM
...it was an hour of worrysomeness.
wee-ooo-wee-ooo
It was a day of despair...
Oh, NO!!! The cop's head is dying, and the dog's body is dying!!!

...iT was an epoch of inspiration.
I Know! Let's sew the dog's head onto the cop's body!!!!
Hooray!
Yay!
IT was a procedure of Precarious-ness...
...it was a surgery of success.
HOORAY For DOG MAN!

There was a cop with a dog's head on the cold streets of a savage city...
...There was a cat with a wicked heart enchained in kitty custody.
Rats!
Cat Jail
And so begins our tale of mirth and woe.
IT ain'T easy being deep and mature...
... but Somebody's gotta do it!

Chapter The Third
The Six Thousand Dollar Fish
Fish GLUE

Hello, I'm Dr. Dookie from "The Supa Awesome science center over There".
Our Team of Science dudes just returned from the mountain.
We went there to dig up Flippy the Psychokinetic Fish.
Why'd ya dig him up?
'Cuz we wanna study his amazing brain. Duh!

But I thought Flippy was dead!!!
He is!
But fortunately, he was perfectly preserved in ice.
Show 'em, Dog Man!
See? Not a scratch on him!
What wonders can Flippy's brain teach us?

Introducing

FLIP-E-RAMA

Extra cheesy

Be a FLIP MASTER!

FLIP-E-RAMA

Here's How it Works:

OPTION 1:

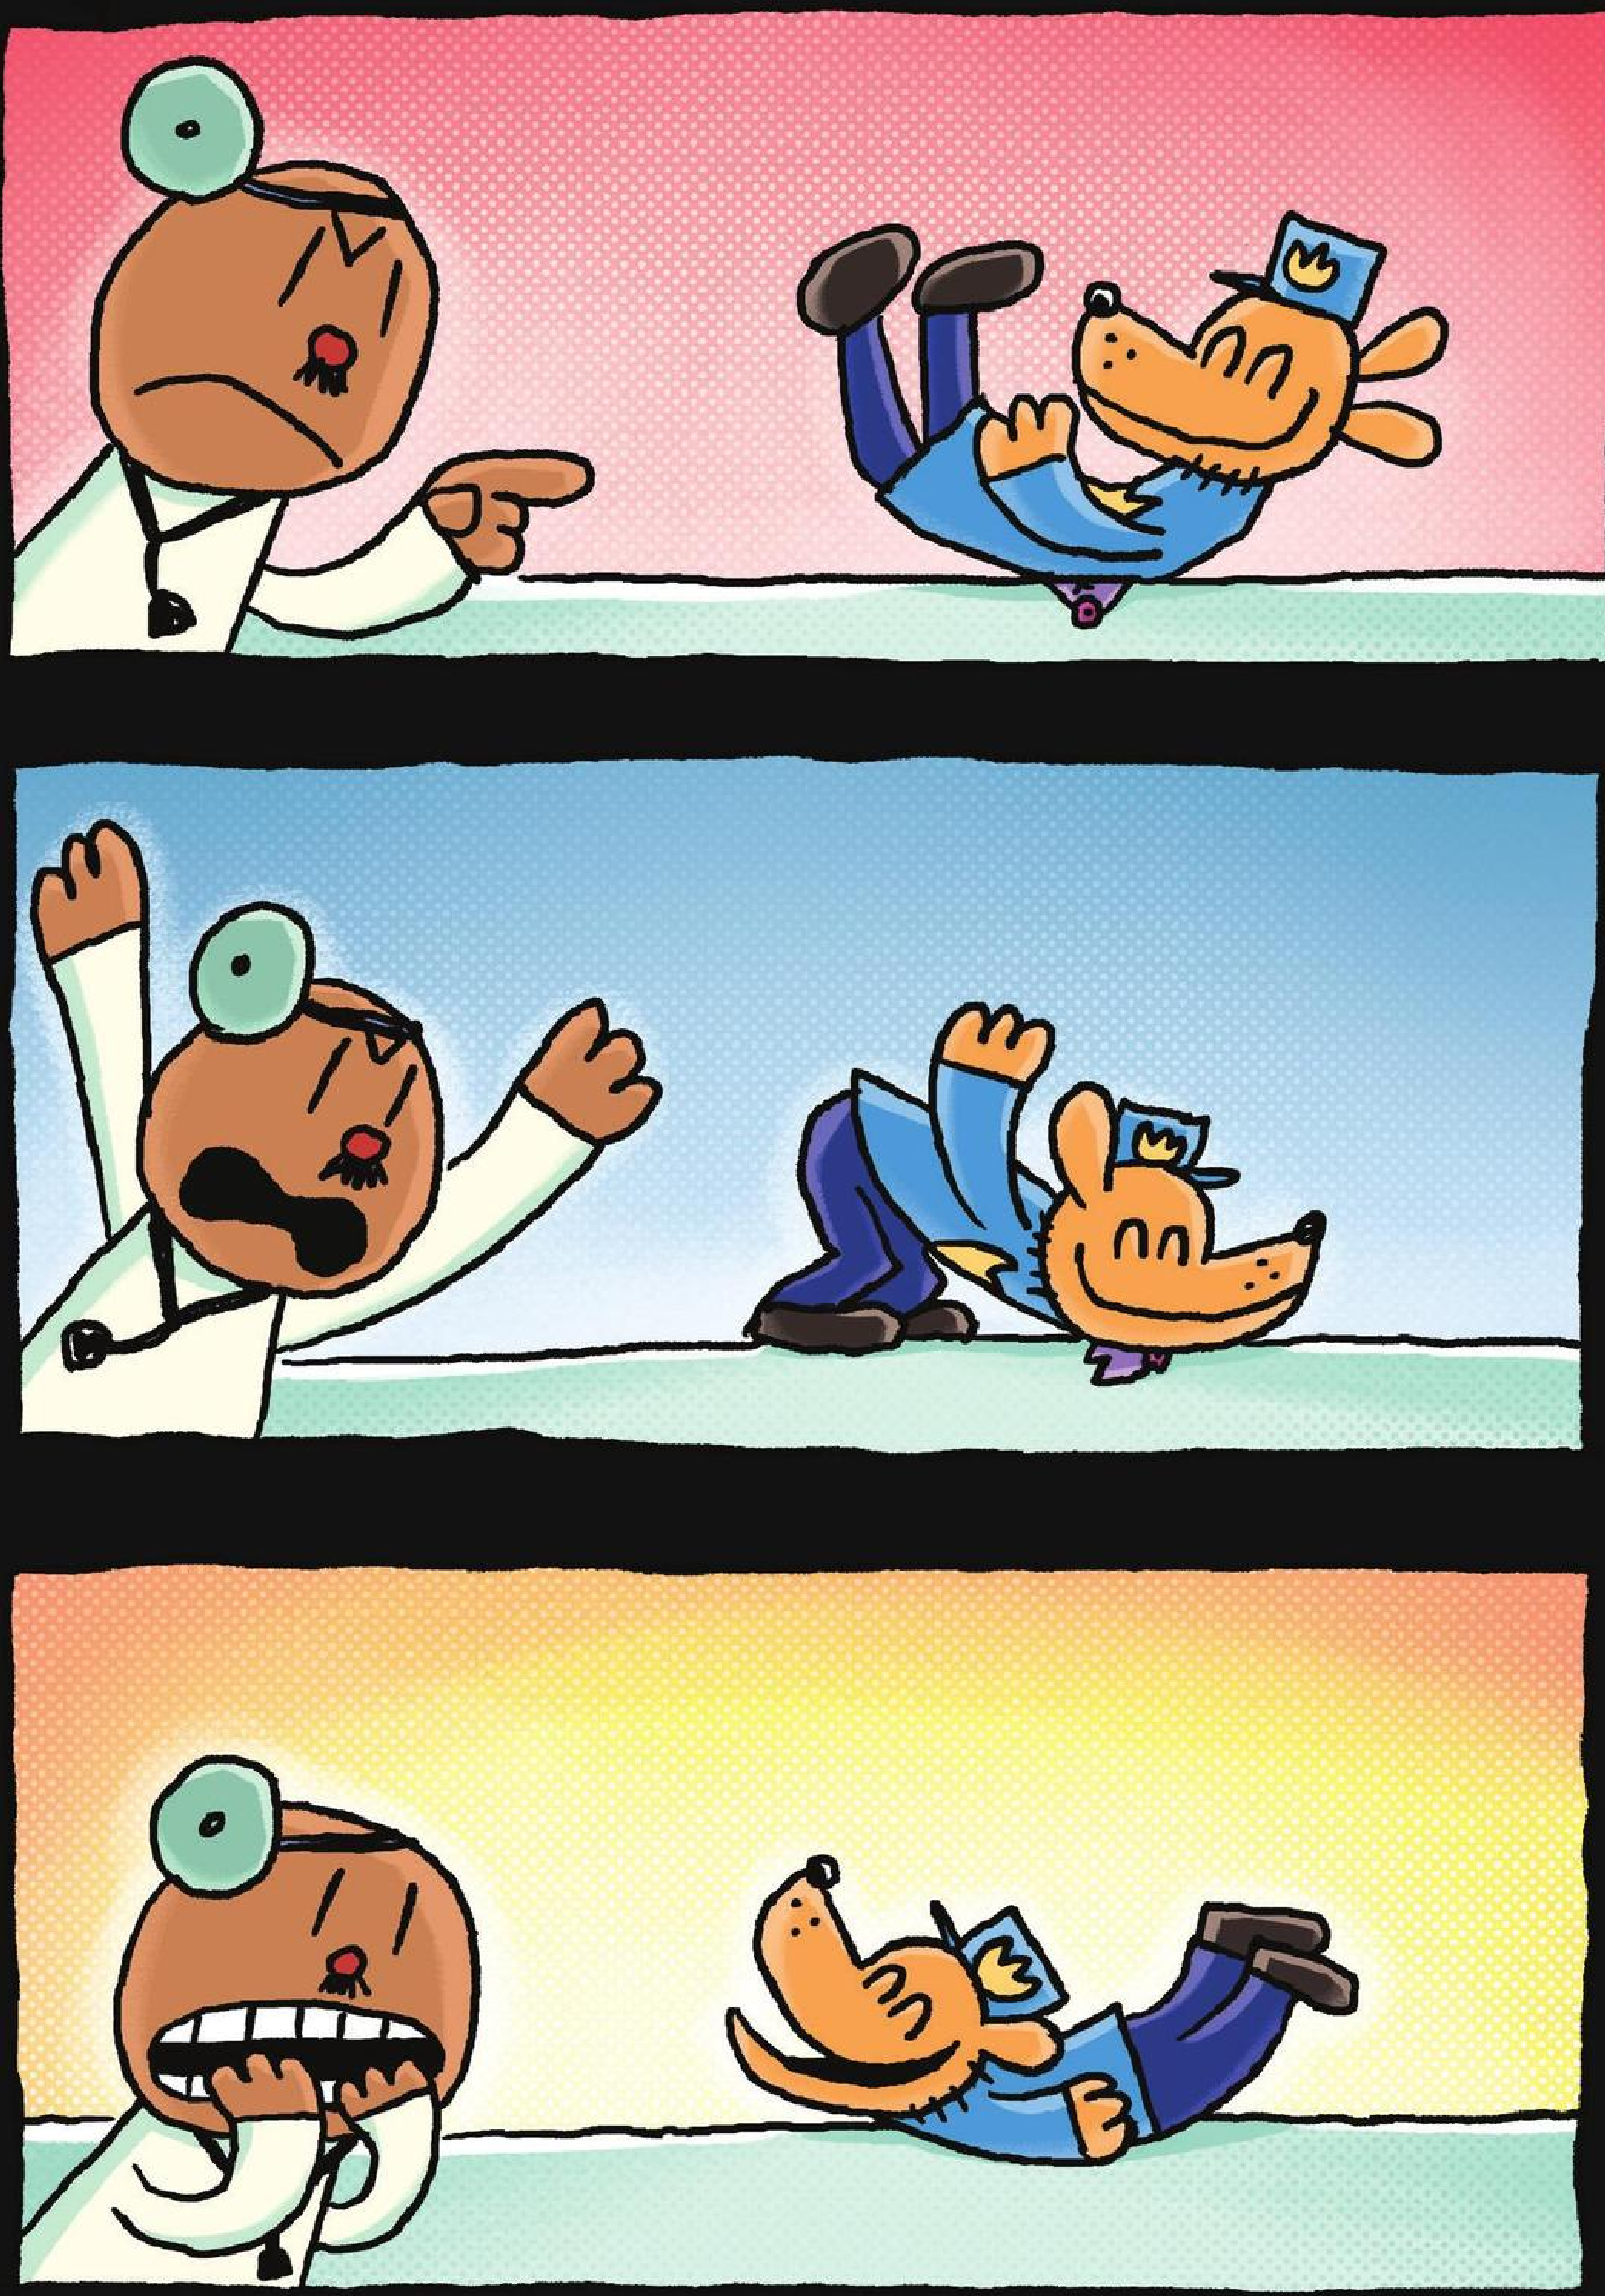

If your device uses FORWARD and BACKWARD buttons to turn the page, place one finger on each button. Then quickly click forward and back between the two Flip-E-Rama pages, and repeat several times until the picture appears to be poorly animated.

OPTION 2:

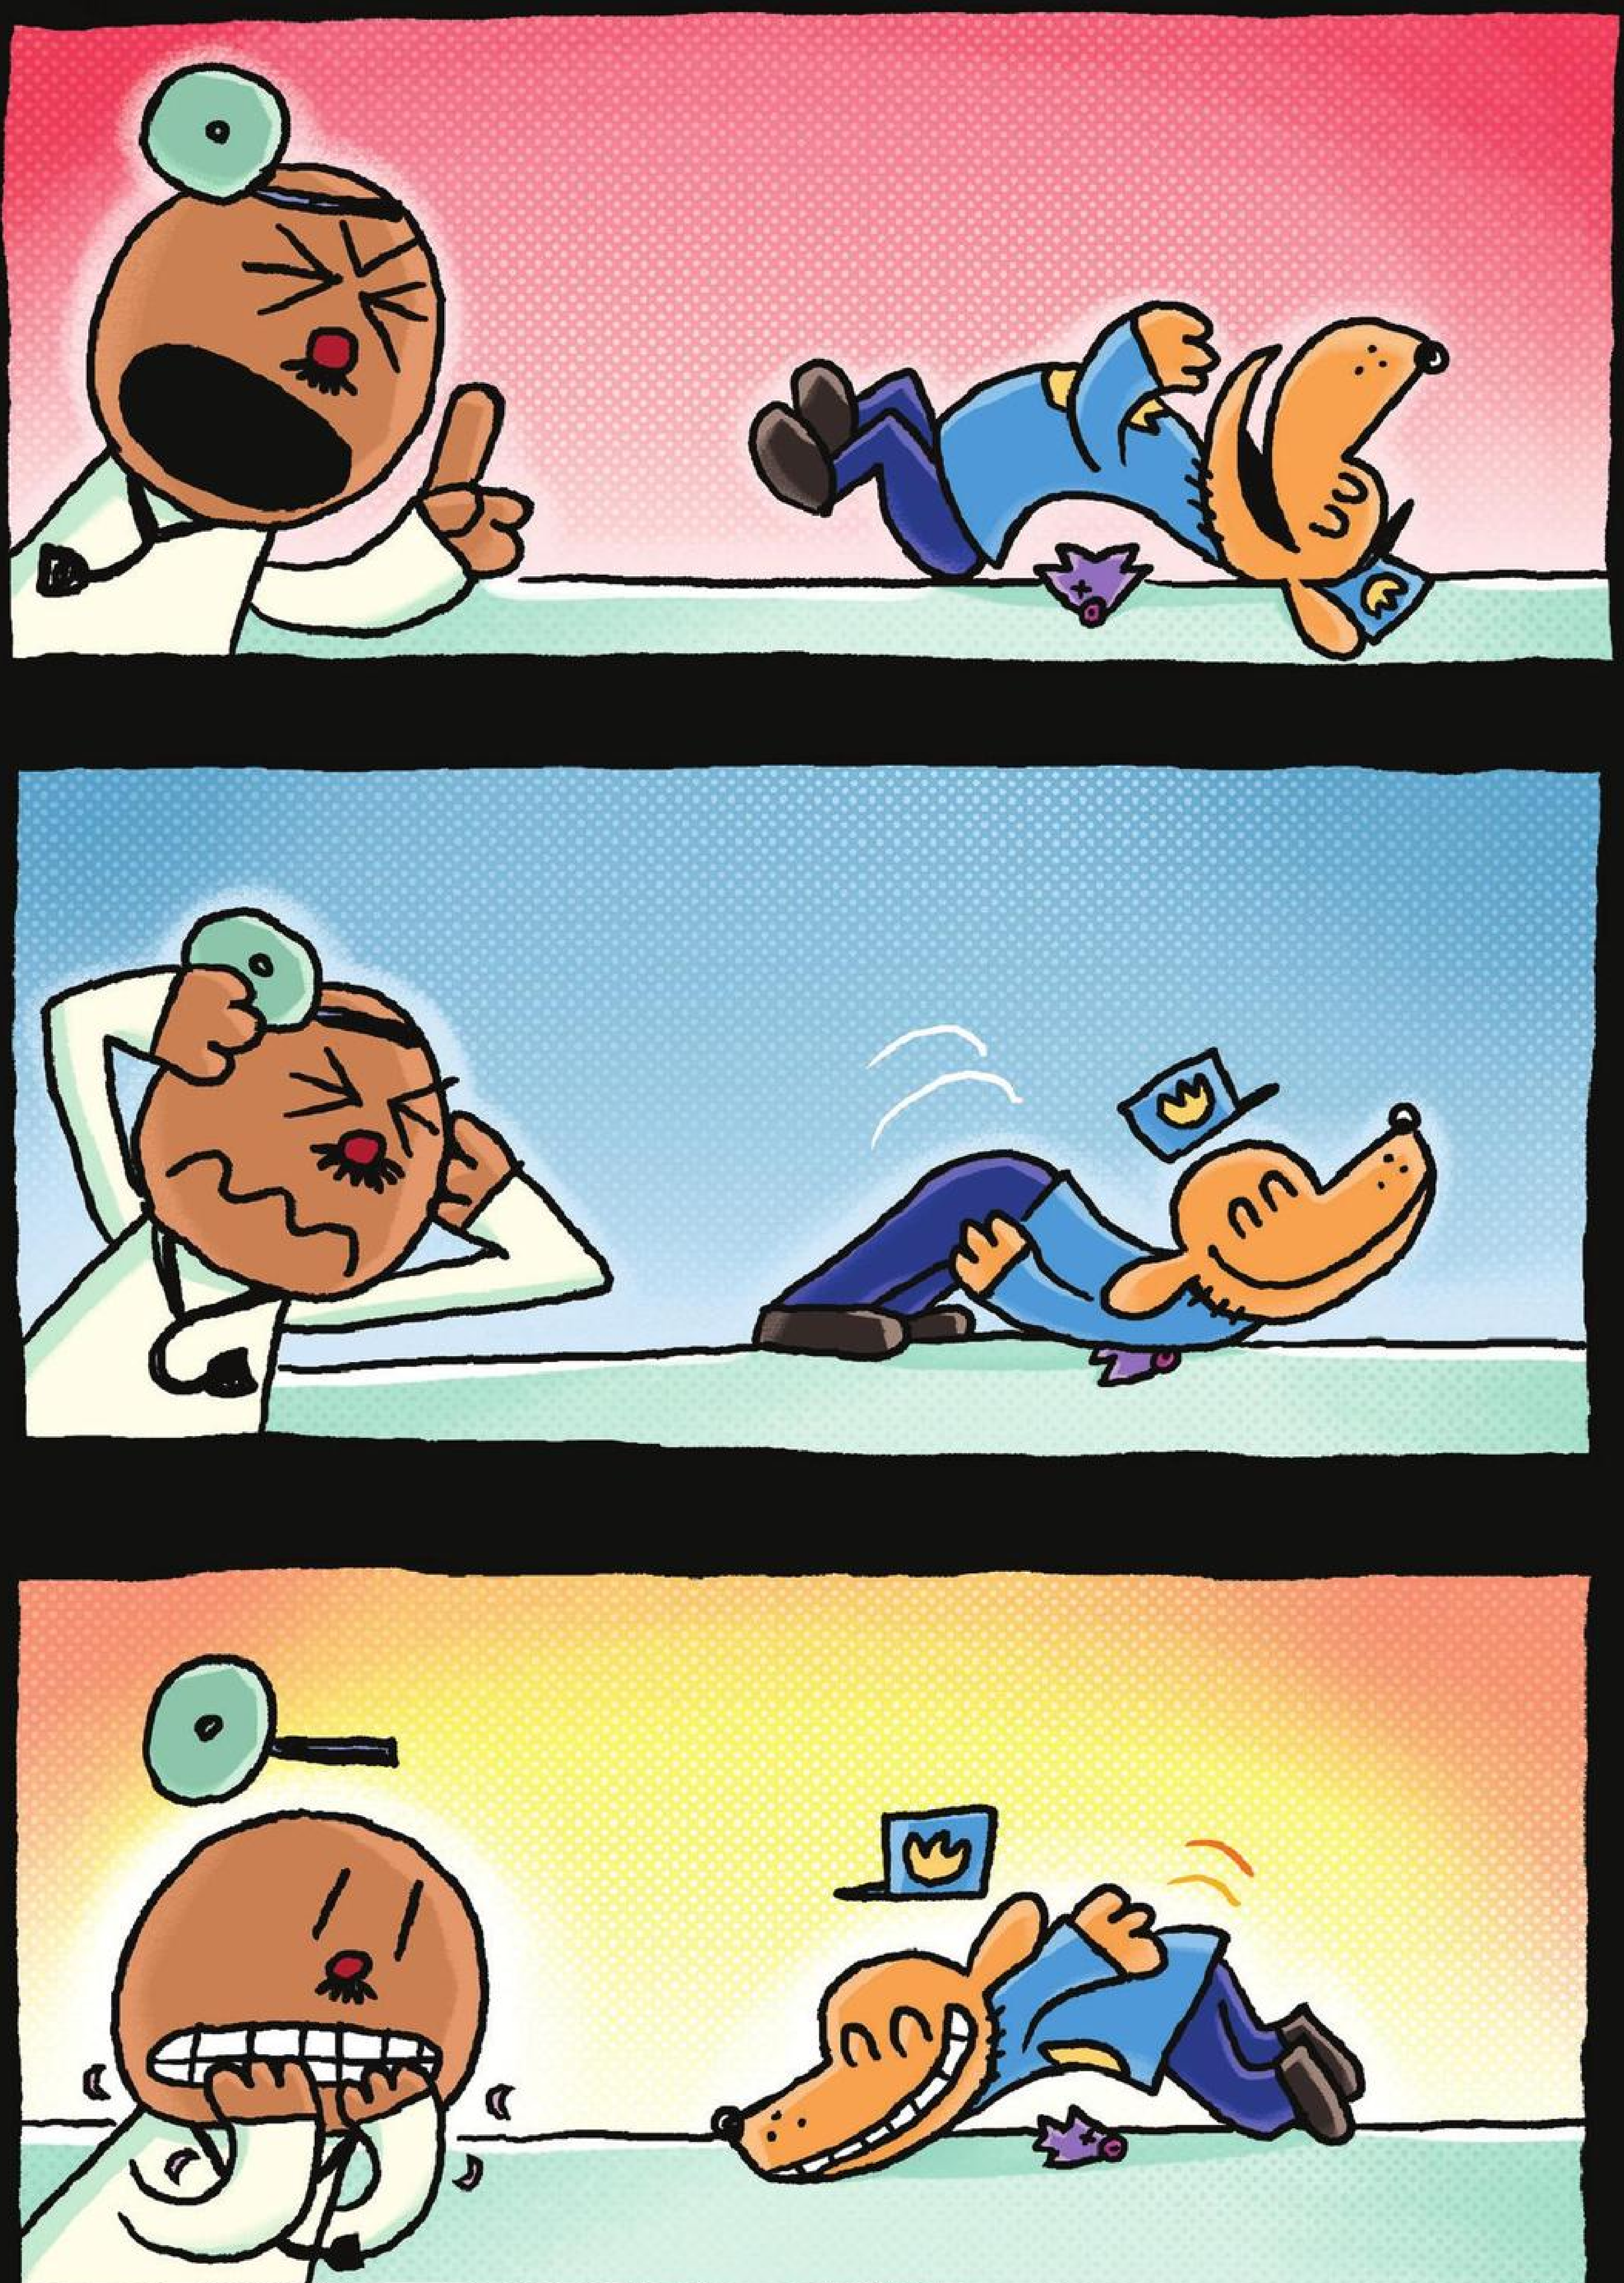

If your device lets you SWIPE to turn the page, use your finger to swipe once to the left, then swipe once to the right. Then keep swiping back and forth between the two Flip-E-Rama pages until the picture appears to be poorly animated.

FLIP-E-RAMA works best if your device is turned vertically and you can only see one page at a time. Don't forget to add your own sound-effects!

ABOUT THE AUTHOR-ILLUSTRATOR

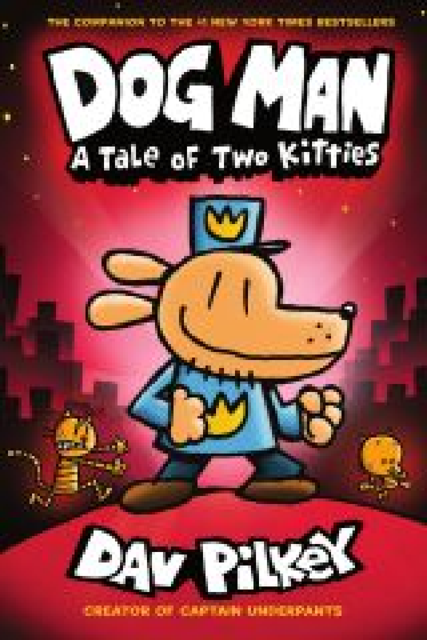

When Dav Pilkey was a kid, he suffered from ADHD, dyslexia, and behavioral problems. Dav was so disruptive in class that his teachers made him sit out in the hall every day. Luckily, Dav loved to draw and make up stories. He spent his time in the hallway creating his own original comic books.

In the second grade, Dav Pilkey created a comic book about a superhero named Captain Underpants. His teacher ripped it up and told him he couldn't spend the rest of his life making silly books.

Fortunately, Dav was not a very good listener.

ABOUT THE COLORIST

Jose Garibaldi grew up on the South Side of Chicago. As a kid, he was a daydreamer and a doodler, and now it's his full-time job to do both. Jose is a professional illustrator, painter, and cartoonist who has created work for Dark Horse Comics, Disney, Nickelodeon, *MAD Magazine*, and many more. He lives in Los Angeles, California, with his wife and their cats.
